PROFESSIONAL EXPERIENCE

Deckers Outdoor Corporation

Sales, Insights, and Technology Lead (Global Flagship) February 2025 – Present

- Redesigned existing scheduling tools to increase efficiency for store leadership tasks, resulting in faster hourly reporting and increased data accuracy.
- Managed Information Technology services including reports of new issues, updating Zendesk ticket status, and maintenance of company owned hardware and software for iOS and Windows systems.
- Optimized business operations, store revenue, and sales reports using NYC consumer market knowledge and data reporting software, contributing to a week long trend of record breaking sales as compared to LY and LLY.

Willkie Farr & Gallagher, LLP

Web Developer Intern (UI/UX) September 2024 – January 2025

- Managed and resolved a daily average of 11 support tickets through Zendesk, ensuring timely and accurate assistance for internal users.
- Maintained media content across 4 channels, including internal and external applications, ensuring content relevancy.

- Iterated application design assets using Sketch, adhering to company branding guidelines and ensuring a cohesive visual identity.
- Collaborated with cross-functional teams to review and implement feedback for UI/UX updates and releases.

Willkie Farr & Gallagher, LLP

Web Developer Intern (Front End)

June 2024 – August 2024

- Facilitated updates and new releases to suite of over 30 internal tool applications and website interfaces using HTML, CSS, JavaScript, JQuery, AJAX, and XML.
- Leveraged knowledge of concepts and practice of responsive websites to produce interface layouts for 12 different user device profiles with Bootstrap, CSS media queries, and HTML.
- Traced and reported product QA issues through testing methods including black box and end-to-end for projects with a large base of over 1200 enrolled users.
- Arranged team projects within project tracking tools such as JIRA and Asana to ensure accuracy in communication and project updates amongst a team of 7 full-time developers.

Nike, Inc.

Product Life Cycle Expert

September 2019 – July 2024

- Analyzed KBIs to implement business strategies that improved product sell-through rates during company wide holiday seasons, increasing average units per transaction by 37.5%.
- Identified impactful merchandising opportunities that generated over \$11.8 million in revenue for a single business division.
- Documented standard operating procedures (SOPs) for all equipment use and tasks within the Brand Merchandising department, fostering consistency and efficiency across retail and corporate teams, saving 100s of training hours.
- Evaluated department owned KBIs and combined User Research knowledge to improve unit sell-through on products with low movement rates by over 90% in less than one week.

LEADERSHIP

Pace University Undergraduate Commencement Ceremony, 2025 Class Speaker

May 2025

- Elected as the *Opportunitas* Speaker for the Class of 2025 Undergraduate Commencement Ceremony, a highly sought-after position dedicated to recognizing a graduating student's overall achievement, resilience, and embodiment of university values.
