Designer and Developer

- Purpose: Personal website to display my academic work and professional portfolio.
- Technology: GitHub, JavaScript, Next.js, Node.js, npm, React, Tailwind CSS, TypeScript, Vercel, Visual Studio Code

## PROFESSIONAL EXPERIENCE

**Nike, Inc.**

Product Life Cycle Expert September 2019 – Present

- Analyzed KBIs to implement business strategies that improved product sell-thru rates during company wide holiday seasons, increasing average units per transaction by 37.5%.
- Identified impactful merchandising opportunities that generated over \$11.8 million in revenue for a single business division.
- Developed comprehensive standard operating procedures (SOPs) for all equipment use and tasks within the Brand Merchandising department, fostering consistency and efficiency across retail and corporate teams.
- Utilized department owned KBIs and User Research knowledge to improve unit sell-through on products with low movement rates by over 90% in less than one week.

## LEADERSHIP

---

**Pace University President's Scholarship Reception, Honoree** March 2023

- Selected by Pace University President Marvin Krislov as the reception's annual honoree, having shared my Pace journey and been recognized for exceptional academic and professional performance while at Pace.

**Pace University President's Scholarship Reception, Keynote Speaker** March 2024

- Drafted and delivered short remarks to the Pace Alumni and Donor community in order to celebrate Pace students and demonstrate my own success at Pace University as a long-term scholarship recipient.

**Pace University Seidenberg Innovation Awards, Student Speaker** April 2024

- Delivered address to the technology business and industry leaders that contribute to Pace's Seidenberg School of Computer Science and Information System with the intent to acquire donors and additional support for the next generation of innovators and professionals at Pace University.

## ACTIVITIES / VOLUNTEER WORK / ADDITIONAL TRAINING
